Dear Alive and kicking.

RE: APPRECIATION OF SUCCER BALLS.

I am a Kenyan girl, and I am in class eight, in Mutinyi primary school, I take these opportunities to congratulate you for providing us with soccer balls. We are very happy as happy as Isaac Newton when he discovered the force of gravity.

We will improve our ability and we will practise more and more. When we went for sport, we will succeed in our school, we will bring a gold Trophy.

Your faithful,

THRO: SIMON HIDITCH,

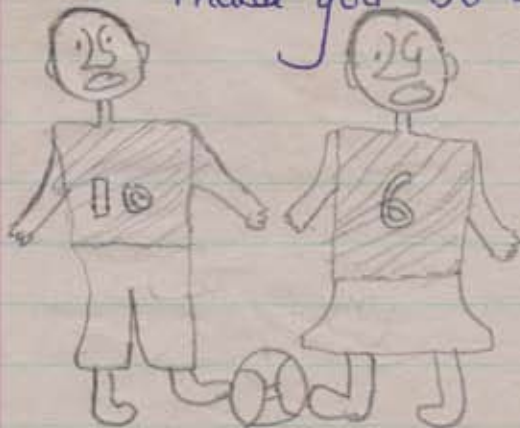

Dear Alive B kicking,

REF: APPRECIATION OF SOCCER BALLS.

I take this opportunity to thank you for the balls you brought in our school. We used those balls to play with them football and they were very good. Playing is very good because we exercise our bodies. It is very enjoyable when playing.

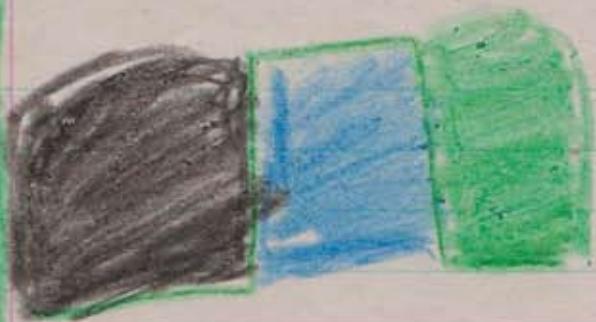

Thank you for the balls that you brought. May God bless the hands that brought those balls and assist you to brought more balls than those.

Thank you so much.

Yours Faithfully
